## INSTRUMENTATION

All parts are fully inter-changeable thus allowing freedom to play with many differing resources. The books are sold individually (there is no fixed 'set') – just obtain the parts you require. The band listings below will serve as recommendations for each genre.

Please note: The saxophone parts marked 'DB' are specifically for a saxophone section and therefore intended only for dance and jazz groups.

The Piano-Conductor book is in 'C' and, apart from being universal to the above groups, can also be used to accompany selected solos, duets etc.
